## PRESIDENT'S REPORTS ROC RECREATION

There was no board meeting in December. I did attend a President's club meeting sponsored by FLROC. The main topic of conversation was about many parks having a serious lack of people being interested in serving on the board of directors. Thus, a couple of parks had to sell the park to a private company, which means they now pay over \$600 a month rent. We were advised that if a Resident Owned park doesn't have a Board of Directors the state will assign a company to come in and take over and then sell the Park to a private company. Also I would like to remind everyone when you have guest to advise them of the rules. When children come and use the pool and jump and dive this is dangerous and someone could be seriously injured.

## Reminder:

**Garage/Yard Sales are not allowed in Westwind I.**

## PARK MANAGER

Happy New Year! Hope everyone enjoyed a Merry Christmas with family and friends. As we move into 2018 there will be many projects on our agenda. Cleaning the roofs of the clubhouse, office and laundry area will be done in January. Bids for painting all 3 buildings will be requested and power washing of all sidewalks will continue. We are also looking at a plumbing project to add some valves and other necessary repairs. We plan this project for the summer to reduce the impact of water shut-offs. The annual meeting and election of Directors will be at 7:00 PM on Wednesday, February 28th. There are 4 positions open and we already have 5 shareholders who have expressed interest in serving so an election will be necessary. It is wonderful to have so many interested in serving on the Board. Don't forget to let me know if you have a new mailing address or telephone number. Joan Smith, CMCA®, Phone# 727-444-0194

### HOW TO LOOK OLDER

(But Not Smarter)

A woman walked up to a little old man rocking in a chair on his porch. "I couldn't help noticing how happy you look", she said. "What's your secret for a long happy life?" "I smoke three packs of cigarettes a day," he said. I also drink a case of whiskey a week, eat fatty foods and never exercise." "That's amazing," the woman said. "How old are you?" "Twenty-six," he said.

### BURMA SHAVE

For those who never saw any of the Burma Shave signs here is a quick lesson in our history of the 1930's and '40's. Before there were interstates, when everyone drove the old 2 lane roads, Burma Shave signs would be posted all over the countryside in farmers' fields. They were small red signs with white letters. Five signs, about 100 feet apart, each containing 1 line of a 4 line couplet.....and the obligatory 5th sign advertising Burma Shave, a popular shaving cream. Here are more of the actual signs:

### HUMAN EXPERIENCE

A preacher was telling his congregation that anything they could think of, old or new, was discussed somewhere in the Bible and that the entirety of the human experience could be found there. After the service, he was approached by a woman who said, "Preacher, I don't believe the Bible mentions PMS." The preacher replied that he was sure it must be there somewhere and that he would look for it. The following week after the service, the preacher called the woman aside and showed her a passage that read, "and Marry rode Joseph's ass all the way to Bethlehem."

### INGENUITY

Some people have really original ideas as seen in these (supposed) signs in offices, and on vehicles. A sign in a shoe repair store in Vancouver that read: "We will heel you. We will save your sole. We will even dye for you." In a Podiatrist's office: "Time wounds all heels." On a Septic Tank Truck: "Yesterday's Meals on Wheels" At an Optometrist's Office: "If you don't see what you're looking for, you've come to the right place." On a Plumber's truck: "We repair what your husband fixed."
